December 2018

Dear Werneth School,

I am the General Manager of Greater Manchester Travelcards Limited -our brand name is System One Travel. We work with all the bus companies in Greater Manchester and Transport for Greater Manchester.

I wanted to let you know about some changes to our Junior products that are happening on 2nd January 2019.

We will no longer be selling our 7 Day and 28 Day AnyBus Travelcards as a paper ticket. Instead pupils will need to ensure that they have an igo card (available from Transport for Greater Manchester) which is smart enabled. They will use this card to load their travelcards directly.

Many children will already have an igo card as it is an ID card to prove they are under 16, and therefore able to buy the concessionary fare. However, if they currently buy System One/get me there Travelcards they will need to ensure they have an igo to purchase the ticket and not just solely for ID.

To help us to raise awareness so that no pupils are unaware of the change when they start back at school after the Christmas holidays, would you please circulate/provide visibility of the enclosed leaflets within your site and to parents?

If you have any questions about this change or need any additional support please contact me on 07931 561 207 or [glenn@systemonetravelcards.co.uk](mailto:glenn@systemonetravelcards.co.uk).

Yours faithfully
