Dear Parents/Carers

Orientation Day Wednesday 2nd November 2016

After several years of planning our brand new school will open for students on Wednesday 2nd November 2016 for their orientation visit.

Students should arrive at the normal time and **enter through the HIGSON AVENUE gate**. Staff will direct students to meeting points for each year group.

During the morning students will be issued with their new timetable. They will also follow a programme to help them become familiar with the layout of the new school and revised school routines.

The Dining Hall will be open for snacks during the morning. The day for students will finish at 11.55am when the normal school buses will be available.

Normal timetables will resume on Thursday 3rd November 2016. We are looking forward to welcoming our students back to a wonderful new learning environment.

As you are aware from previous letters, the new building will need to be assessed with full regard to the wellbeing, health and safety of all its occupants before staff or students are able to enter. We are very confident that the handover date will be achieved, however, please keep an eye on our website for full confirmation.

Kind regards.

Mrs P Foy
Deputy Headteacher
