

Year 7 Summer Residential

Dear Parent/Carer,

The Year 7 Summer Camp Residential is the 'Big Event' on the Year 7 calendar in 2017. This is a fully inclusive trip and is open to all students. The Year 7 camp is the final activity of the year and cements a successful year with an experience the students never forget.

For 16 years, Summer Camp has given our youngest students the chance to develop their confidence and experience challenges that they would not normally encounter in their schooling. Students are given responsibility and a degree of independence that tests their problem-solving capabilities and self-sufficiency.

The residential experience includes activities such as: canoeing, crate stacking, climbing, obstacle course, indoor air-rifle shooting, climbing, mountain biking, orienteering, along with team building skills, problem solving exercises, with traditional bush craft skills taught by experienced staff. On top of this, the camp includes many sporting activities and team challenges including the 30m water slide, and not forgetting the inflatable cinema, capture the flag and man hunt.

This residential is fully inclusive and will not exclude students because of financial incapacity. The cost of the residential is £100, this includes fully insured travel to the activity centre, 3 days and 2 nights of activities and 4 meals per day, accommodation is in tents.

An inclusive camp means we take great pride in providing all students with the best possible care whilst on the residential. All students of all abilities are individually catered for, and with the use of a modern multi-purpose canteen and hall we provide care and attention around the clock for the entire duration of camp.

The residential will run from **Tuesday 18th July until Thursday 20th of July 2017.**

If you would like your son/daughter to participate in camp, please fill in and return the reply slip at the bottom of this letter and pay £25 deposit via Parent Pay. The closing date for applying to come on the residential is Friday 17th February 2017. Please also indicate what your preferred payment option will be.
